

AIA/CES Registered Provider Program Summary

- Provider:** DeBourgh Mfg. Co.
- Program:** *Specification of Locker Storage Systems Which Meet or Exceed the Requirements of The Americans With Disabilities Act (ADA).*
- Length:** 1 Hour
- Credits:** 1 LU Hour **HSW:** Yes
- Description:** A review of the Americans With Disabilities Act and how it affects the specification writing process for locker storage systems.
- Learning Objective:** At the end of this session, participants will be able to: 1) Determine the customer's needs based upon the interpretation of the ADA statute; 2) Know what features are offered throughout the industry to meet these needs; 3) Incorporate comprehensive ADA requirements into their locker specifications.
- A/V Needed:** Electrical power and projection screen for PowerPoint and/or video presentation.
- Target Audience:** Architects, owners, specifiers, and other design specialists who have an interest in the rapidly changing area of ADA compliance. Ideal group size is 8-15 persons (a minimum of 2 is required).
- Facilitator Qualifications:** DeBourgh Manufacturing Co. has been the world leader in the all-welded locker industry for over 70 years. DeBourgh has been an AIA/CES provider for over three years.
- Cost:** There is no cost involved in bringing this program to your firm or chapter meeting.
- Contact:** Marty Lee, Director of Regional Sales
