

DEBOURGH INDUSTRIAL

Over 100 Years of Building American Made, Top Quality Products!

AMERICAN MADE HEAVY DUTY STORAGE

Built in the USA with time-proven features and materials, this cabinet provides unmatched performance for your heavy duty storage needs.

DeBourgh pioneered the Angle Iron Framed locker, invented the 3-Point, 3-Sided turn-handle latch, and is an industry leader in all-welded locker design. Our industrial storage cabinet line combines the best features of practices learned from over a century of delivering what we promise - **products that are built to last!**

Unit Construction

- :: All-welded unit - no bolts or rivets used. Constructed with 1x1x1/8 inch industrial grade angle iron frames to provide more shelf capacity, durability and unparalleled impact resistance
- :: Heavy duty, four-sided welded 16 gauge steel base
- :: Adjustable 16 gauge **shelves with 1000 lb distributed load rating**. Shelves are adjustable in 4 inch increments
- :: Three inch, 16 gauge, five-knuckle hinges welded to both the unit and the door keeps doors aligned and operating
- :: Eco-friendly powder coat finish provides top of the line, long lasting, impact resistant finish
- :: Other options include sloping tops and closed bases

Sizes

- :: Widths: 36, 48, and 60 inches
- :: Depths: 18 and 24 inches
- :: Heights: 36, 48, 54, 60, 72, and 84 inches

1,000 lb LOAD PER SHELF!

Door Construction

- :: Formed 14 gauge steel doors or Angle Iron 13 gauge mesh doors.
- :: Equipped with DeBourgh's highly secure and highly durable 3-point, 3-sided turn-handle latching.

Ventilation Options

- :: Solid doors provide maximum security
- :: Mesh doors allow maximum ventilation
- :: Clear polycarbonate doors provide maximum visibility

SOLID DOOR
(Maximum Security)

MESH DOOR
(Maximum Ventilation)

POLYCARB DOOR
(Maximum Visibility)

Fill in the boxes in the part number to place your order:

- Width choice: **36, 48, or 60**

- Depth choice: **18 or 24**

- Color Choice

RYB - Royal Blue

CDR - Code Red

SSO - Sunset Orange

CTY - Citrus Yellow

NVB - Navy Blue

SMG - Storm Gray

LTE - Latte

Note: Other colors available. Visit our website at www.debourgh.com for our complete list of color options.

*Due to the printing process, color swatches depicted here may be slightly different from true paint color.

When you're ready to invest in a storage solution that's built to last, you're ready for DeBourgh Industrial.

Today, more and more companies are investing in lean technologies to eliminate waste and increase efficiencies. DeBourgh's storage systems can help transform your organization into a clean, lean, efficient work place. Our products are built in the USA and made from 100% US steel.

We deliver what we promise; products that are built to last. And we have been making good on that promise for over 100 years. Our products stand the test of time. Products that we have built in the 1930s are still in use today.

Our all-steel products use 20-30% post-industrial steel and come with a lifetime limited warranty, so you're making a smart choice for your crew and the environment.

We offer customizable features for your individual needs:

- :: Built in the USA using 100% US steel
- :: Durable, all-welded construction
- :: Maximum security with a proven latching system
- :: Welded, easy-to-install units
- :: Low maintenance
- :: Lifetime Limited Warranty

Experience the strength, durability, and quality of an American made storage system from DeBourgh Industrial.
